

Invitation

Building a new wetland at Victoria Park/Pakapakanthi Open Day

Construction works for the Victoria Park/Pakapakanthi (Park 16) Wetland are due to start in December.

Come along to our Open Day at Victoria Park (opposite Grant Avenue) to speak to the project team and learn more about the new wetland being built as part of the Brown Hill Keswick Creek Stormwater Project.

Note NEW DATE
(due to recent
COVID 19 event)

Saturday 12 December
